

THE COUNTER CATCHER

The **Counter Catcher™** system is a combination of products designed to simplify meal preparation and cleanup

- ✓ A Tray specially designed to fit virtually any cabinet drawer or door
- ✓ A Cutting Board designed specifically with a raised lip to direct food, liquid, or waste directly into the tray
- ✓ A scraper is provided to keep your hands out of the mess
- ✓ Eliminates spills between the counter and the garbage
- ✓ Ideal for catching the drippings when carving meat

Simply slip the **Counter Catcher™** tray over virtually any cabinet drawer or door and use with or without the cutting board

- ✓ Recedes under the counter top when the drawer is closed
- ✓ Wipe liquids or waste directly from the counter into the tray
- ✓ Increase valuable counter space
- ✓ Easily access drawer contents without removing the tray
- ✓ Move to any cabinet drawer or door with a single hand

Use the **Counter Catcher™** tray in the kitchen, bathroom, office, and shop

- ✓ Free up valuable bathroom counter space by storing hair brushes, makeup, and related products off the counter but within easy reach
- ✓ Free up limited desk space by storing your cell phone, pens, keys, and other loose items off the desk but within easy reach
- ✓ Easily access the contents of the drawer or door without removing the tray
- ✓ Simply use the tray as a handle and pull to open the drawer or door
- ✓ Easily move the tray to another drawer or door with a single hand

The **Counter Catcher™** tools are Durable

- ✓ Made from FDA approved high strength polypropalene
- ✓ Stain Resistant
- ✓ Break Resistant
- ✓ Dishwasher Safe

The **Counter Catcher™** tools are Flexible

- ✓ Purchase the Tray (scrapper included)
- ✓ Currently available in white or black, but virtually any color is possible
- ✓ Purchase the Cutting Board
- ✓ Or purchase both, packaged as a kit
